Memo for the Record Carl

Subj: Meeting with Max Donald, ~~2/16/66~~
Chief, Military Records Branch, FRC, Reg. 3

1. Carl estimates he will have about
35,000 cu. ft. of Army, Air, Navy

ILLEGIB

considering the question of whether

ILLEGIB

in the complete custody of the FRC
and continue to depend on them,
servicing the files, or to move
the files to a central location
and service them with DOD personnel.
(Army has its files at Holabird.)

ILLEGIB

estimates that one person could

3

anything above 5 is supervisor
all reference to Int. records done
by these grades.

ILLEGIB

- 10,000 cu. ft. per yr.

- 200 mo.

1,000 mo. per yr.
on ~~both~~ investigative files

On Int. records

Just what is the work to be done to secure the benefits of control of content and volume?

1. Analysis & Description of Records
This work involves identifying

ILLEGIB

of this initial study, ~~after~~ and future accessions would be controlled in respect to duplication and identification.
